Writing a Book That Makes a Difference: Philip Gerard ... Philip Gerard's book fills the gap that these other books have left in the market. It approaches writing fiction for those who want to write novels that make readers think. He covers enough of the basics (tone, point of view, style) to make this a good generalist book, but, above all, doesn't talk down to the reader. What Makes a Book Worth Reading? - Books Make a Difference To me a good book is a book that i can't leave until the end, a book with good character. So what is a good character to me, a good character to me is a character with a development that make sense. 26 Books That Will Change The Way You See The World But it's also an important book, because it doesn't pretend that money has no influence on your happiness. In fact, it encourages you to make your own money and not rely on falling into it. And even though it shows just how difficult being a woman is, it also makes you admire the grit and wit of the protagonist, Lily.

A Reading List: 5 Books That Will Make You Think - Left ... If there's one thing that visitors to Left Brain Buddha have in common, it's that we're thinkers.. 7 Books that Will Change How You See The World | Mark Manson 7 Books that Will Change How You See The World ... The book makes one simple argument: that humans have deep, animalistic instincts to eat, kill, or fuck everything. Freud argued that civilization could only arise when enough humans learned to repress these deeper and baser urges, to push them into the unconscious where (according to his model).
